

CITRA CLEAN HP

Powerful Heavy Duty Cleaner & Degreaser

Citra Clean HP is formulated from natural orange terpenes, which leaves a pleasant orange fragrance after use. Citra Clean HP has a high pH of 13-14 needed for heavy duty industrial cleaning tasks such as the removal of tar, oil, grease and bitumen. Citra Clean HP will also remove many resins from floors and hard surfaces, making it an excellent cleaner for the preparation of cleaning concrete floor prior to painting.

- Biodegradable
- Quick splitting
- Contains advanced surfactant technology
- Water soluble liquid
- Higher pH of 13-14 (concentrated)
- Powerful and dilutable

DIRECTIONS

Dilute as necessary to required strength. Apply by spray, cloth, brush or dip method. Suitable for use with a mechanical cleaner, pressure washer or wet-vac type floor machine.

DILUTION

May be used neat

Citra Clean HP may be used as a concentrate or diluted depending on the degree of soiling. Use the following dilution rates as a guide:

MANUAL	use concentrated
	dilute with water 1:3—1:20
STEAM CLEANING	dilute with water 1:20—1:100
DIP TANK	dilute with water up to 1:10 (rinsing with warm / hot water will speed up the drying process)

PACKAGING

Order Code : CCHP5

Pack Size: 2 x 5 litres

STORAGE

Store in original container.

Keep lid tightly closed when not in use.

Keep out of the reach of children.
