

HOT WATER EXTRACTION

Carpet Cleaning Extraction Liquid

Our Hot Water Extraction Liquid is a specially formulated, highly concentrated, low foaming detergent ideally suited to all professional portable and truck-mounted extraction machines where a liquid is preferred to a powder.

Ideal for use on wool or man-made fibres and all types of wet cleanable fabrics.

- High concentration
- Low foaming
- Suitable for all extraction machines
- Economical to use
- Slightly neutral solution of pH 8

APPLICATION

Hot Water Extraction Liquid is specially formulated for use on most carpets and upholstery fabrics.

It can be applied with all professional portable and truck mounted carpet extraction machines.

Ideal for use on wool or man-made fibres and all types of wet-cleanable fabrics.

Typical dilution rate 100:1 depending on soiling.
