

# LIQUID DESCALER

## Kitchen Descaling Liquid

Our specially formulated Liquid Descaler quickly removes limescale from all forms of kitchen equipment and utensils including kettles. It can also be used for limescale removal on shower heads and even boilers and is safe to use on aluminium and stainless steel. Liquid Descaler is ideal for use on small, confined spaces.

- Quickly removes limescale from all forms of kitchen equipment and utensils
- Safe to use on aluminium and stainless steel
- Can be used in confined spaces
- Can be used in the dishwasher
- Economical to use

### DIRECTIONS

Dilute 20:1 in hot water for soaking

Dilute 10:1 to apply with brush or for use in the dishwasher

### PACKAGING

**Order Code: XDL5**

Pack Size: 2 x 5L

### APPLICATION

Liquid Descaler can be used for the removal of limescale from all forms of kitchen utensils and various applications in both home and commercial use. It quickly removes limescale from kettles, boilers, shower heads and aluminium and stainless steel surfaces that are prone to limescale build up. Care should be taken to avoid contact with skin and eyes.

### STORAGE

Store in the original container, in cool dry conditions away from direct sunlight.

Keep out of the reach of children.
