

SINGLE PASS

Carpet and Upholstery Cleaner

This unique carpet and upholstery cleaner quickly separates (splits) even the severest soiling from carpets and upholstery fabrics. Because the formulation does not contain chemicals typically found in shampoos and detergents there is no sticky residue to cause resoiling. It is also ideal for use in institutions, care-homes and nurseries where residual enzymes and chemical dusts may cause adverse reactions.

- Stunning results with just one pass
- New micro-splitting formula
- Contains no solvents, soaps or enzymes
- Technology that cleans quickly and effectively
- pH value 9.5

APPLICATION

Single Pass may be used directly through all types of cleaning & hot water extraction equipment or used as bonnet-cleaner, pre-spray & stain remover. May be used on all water-stable, colourfast fabrics and fibres including areas pre-treated with stain or fire protectors. Dilute to use on light or heavy soiling, greasy stains, food & beverage spillages. Contains no bleaching agents or optical brighteners.

DIRECTIONS

STAINS (including grease, oil, ink and polish)
Dilute 1:1—10:1 depending on soiling. Pre spray and lightly agitate for best results.

HEAVY SOILED CARPETS & UPHOLSTERY FABRICS
Dilute 10:1—30:1 depending on soiling. Pre-spray stain or marks before commencing general cleaning.

PACKAGING

Order Code : SP-5

Pack Size: 2 x 5L

STORAGE

Store in the original sealed container in cool, dry conditions.

Keep lid tightly closed when not in use

Keep out of the reach of children.
