

SOLACARE MAINTAINER

Premium Floor Maintainer

Solacare Premium Floor Maintainer and Restorer has been specially prepared to revive and maintains worn out floors to a high standard whilst also providing good wearing resistance and anti-slip finish without powdering. Its thermoplastic base keeps floors at their optimum appearance by simply damp mopping. Solacare is simple to use with a damp mop, spray cleaning, or automatic machine.

- Cleans, revives and maintains floors to a high standard
- Good wetting resistance
- Anti-slip finish without powdering
- Long lasting
- Easy to apply
- Can be used on most floor surfaces

APPLICATION

Solacare can be used with an automatic scrubbing machine, needs no rinsing and will dry completely smear free.

Clean the floor, rinse well and allow the floor to dry. Simply use with damp mop, spray cleaning or automatic machine for immediate improvement. Solacare can be used as the sole treatment on non-porous floors, and the surface appearance will improve the more Solacare is used.

DILUTIONS

DAMP MOPPING	dilute 50:1 cold water
SPRAY BUFFING	dilute 20:1 cold water
