

SCALE BREAKER

Toilet Descaler

Scale Breaker Toilet Descaler is a specially formulated liquid cleaner and descaler for periodic use on ceramics, porcelain, and stainless steel to remove more stubborn stains and limescale.

The expert blending of ingredients allows this sulphamic acid based descaler to clean, disinfect and deodorise with a floral fragrance.

- Removes scale and stains from urinals and toilets
- Cleans, disinfects and deodorises in one
- Pleasantly floral fragranced
- For use on most washroom surfaces including ceramics, porcelains and stainless steel
- Highly effective sulphamic based toilet descaler

DIRECTIONS

TOILET BOWLS apply the cleaner under the rim of the toilet at water outlets and around the bowl. With a brush or toilet mop, rub stubborn stains if necessary and flush to rinse away residue.

URINALS apply to the surface, working from side to side and swab the entire area with a brush or toilet mop.
