

# XTRA EMULSION POLISH

## Premium Heavy Duty Floor Polish

Premium Heavy Duty Floor Polish is a high solids water based floor polish that has been designed to suit all areas of heavy traffic. The Floor Polish is tough, long lasting bright gloss will stand up longer, with fewer buffing cycles. It has excellent wet cleaning resistance and is ideally suited to spray buffing, damp mopping or automatic cleaning systems.

- Dries to a bright polish
- Tough, long lasting emulsion finish
- Easy to apply and quick drying
- Excellent wet cleaning resistance
- Suitable for damp mopping, spray clean or machine
- Responds well to high speed buffing up to 2500rpm
- Available in a gloss or satin finish

### APPLICATION

Use neat on previously stripped or clean floors. Apply using lambs-wool applicator, micro-fibre mop or clean mop. For best results use Undercoat Floor Sealer, especially on old or porous floors. Apply two or three coats, depending on desired finish.

**Coverage** – up to 250sq/m per 5L container depending on floor type Use on sealed or unsealed floor; marble, composite floors, vinyl, linoleum, sealed wood or cork, unglazed ceramic tiles and quarry tiles

**To maintain**, use Premium Floor Maintainer, Heavy Duty Floor Maintainer, Superspray, Solaclean or Premium Neutral Floor Cleaner depending on soiling and cleaning method.
